BILLY BRAME.

The Notorious Desperado Caught at

Florence, Nebraska.

He Passed Through the City Sun-

day—The Scene at the Depot.

When Sunday's papers an-

nounced that William F. Brame, who

shot and killed conductor Lemon at

Baker's station, on Sept. 11, 1889, had

been run down and captured at Flo-

rence, Nebraska, it was not generally

believed. It was not until the city

people of this city, who knew the

fugitive well were open in their de-

light and bold in their ridicule of

the announcement, "Brame is too

shrewd to be deceived by any detec-

tive and too quick to be taken by a

single man," they said. The alleged

capture of Brame was the one topic

of conversation upon the streets Sun-

day. Men discussed it from the cor-

ners and in front of the churches.

READY FOR BUSINESS.

The Bush Boot and Shoe Co., is Now

Receiving at Its House.

The Bush Boot and Shoe Company,

a new enterprise of which Hopkins-

ville is justly proud, formally

opened its doors to the public Wed-

nesday. The force of salesmen and a

grocery house. The alarm was sound-

ed during the past two weeks, been

opening the immense stock, marking,

arranging and systematizing it for

the business which will follow the

inauguration of its career.

The interior of the house is now a

picture of neatness and luxury. The

store is arranged with scrupulous

order upon the long shelves, and the

salesmen already thoroughly ac-

quainted with it know just where to

place their hands upon the article

which a customer asks for.

The twenty-seven years of experi-

ence which Mr. Bush has had in the

boot and shoe business and his long

acquaintance with the Hopkinsville

trade, qualify him above any other

man for the position he holds as

manager of the house. He is known

to the entire town and his judgment

upon matters pertaining to his busi-

ness is everywhere respected. He

will place by at prices which no other

dealer would pass through the city

and of course will at figures which none

can meet without sacrificing all the

profit. Mr. Bush's wisdom is seen

again in the selection of his force.

Mr. J. D. Dunham, who was trained

under Mr. Bush, and who has had

five years' experience under him as

salesman, is interested in the firm

and will give his best efforts to the

wants of its patrons. Mr.

Lucien Davis will have charge of the

company's books, and a more compe-

tent and efficient young man could

not have been found. He has

Wood has also accepted a place as

salesman for the house, and his in-

fluence will contribute no little to

the success of the house. He is a

well known and well respected

salesman, and his presence in the

house has begun business with

every prospect of a prosperous career.
